**PETITION UNDER 37 C.F.R. § 1.47(a) AND STATEMENT OF FACTS**

This petition is in response to the "Notice to File Missing Parts of Nonprovisional Application", mailed on June 22, 2004, in the above-identified patent application. A copy of the "Notice to File Missing Parts of Nonprovisional Application" is enclosed. See Attachment A.

Applicant hereby petitions, under 37 C.F.R. § 1.47(a), that the United States Patent and Trademark Office accept the above-identified patent application for prosecution on behalf of joint inventors Bennett Clay Byrd and non-signing inventor George Peter Poulos.

Whenever an inventor refuses to execute an application for patent, or cannot be found or reached after diligent effort, a person to whom the inventor has assigned or agreed in writing to assign the invention or who otherwise shows sufficient proprietary interest in the matter justifying such action, may make application for patent on behalf of and as agent for the inventor on proof of the pertinent facts and a showing that such action is necessary to preserve the rights of the parties or to prevent irreparable damage; and the Director may grant a patent to such inventor upon such notice to him as the Director deems sufficient, and on compliance with such regulations as he prescribes. 35 U.S.C. § 118.

If a joint inventor refuses to join in an application for patent or cannot be found or reached after diligent effort, the application may be made by the other inventor on behalf of himself or herself and the nonsigning inventor. The oath or declaration in such an application must be accompanied by a petition including proof of the pertinent facts, the fee set forth in § 1.17(h), and the last known address of the non-signing inventor. 37 C.F.R. § 1.47(a).

**(1) Proof of Pertinent Facts**

The undersigned contacted David Marcincavage in the Sara Lee Corporation ("Sara Lee") IP Law Dept. regarding execution of formal documents by the inventors in the above-identified patent application. Mr. Marcincavage informed the undersigned that one of the inventors, George Poulos, had left employment at Sara Lee. Mr. Marcincavage requested a forwarding address for Mr. Poulos from the Sara Lee Human Resources Dept., which did not have a forwarding address for Mr. Poulos.

The last known address for Mr. Poulos is: 542 Woodvale Drive, Greensboro, NC 27410. The undersigned conducted a search on the Internet for information related to George Peter Poulos, and found only this same address for Mr. Poulos. On July 12, 2004, the undersigned called the last known telephone number (336-294-5277) for Mr. Poulos at this address. The phone rang, but there was no answer, nor did an answering machine activate. See Attachment B.

During August and September 2004, the undersigned asked co-workers of Mr. Poulos while he was employed at Sara Lee if they knew where he was living following his departure from Sara Lee. Mr. Poulos' co-workers informed the undersigned that Mr. Poulos lived in Greensboro (NC) when he worked at Sara Lee, but that they did not know where Mr. Poulos was currently living.

On October 4, 2004, the undersigned called the last known telephone number (336-294-5277) for Mr. Poulos. The phone rang, but there was no answer, nor did an answering machine activate. *See Attachment C.*

On October 4, 2004, the undersigned mailed a letter by certified mail, return receipt requested, to George Poulos at his last known address at 542 Woodvale Drive, Greensboro, NC 27410, requesting his execution of an enclosed Declaration. *See Attachment D.* A copy of the Certified Mail Receipt is attached. *See Attachment E.* On October 25, 2004, the undersigned checked the Shipment Details on the "Track & Confirm" page for this letter in the U.S. Postal Service's online tracking service. These Shipment Details indicated that a notice was left for the addressee on October 5, 2004, and that the item was returned to the sender on October 23, 2004, because it was not claimed by the addressee. *See Attachment F.* On October 28, 2004, the undersigned received the returned letter to Mr. Poulos. *See copy of returned envelope as Attachment G.*

This application is being made on behalf of Mr. Poulos' co-inventor, who has executed a Declaration, and on behalf of Sara Lee Corporation. The properly executed Declaration of joint inventor Bennett Clay Byrd is enclosed herewith. *See Attachment H.*

Sara Lee Corporation has a proprietary interest in the patent application as evidenced by the Assignment executed by the co-inventor. Bennett Clay Byrd has assigned his interest in the invention and patent application to Sara Lee Corporation, and the Assignment is enclosed herewith. *See Attachment I.*

(2) **Fee**

This is a nonprovisional application. A check including the amount of \$130.00 for the petition fee under 37 C.F.R. Section 1.17(h) is enclosed. Please credit any overpayment or charge any deficiency in relation to this petition to Deposit Account No. 16-1435.

(3) **Last Known Address of Non-Signing Inventor**

Mr. Poulos' last known address is: 542 Woodvale Drive, Greensboro, NC 27410, and his last known telephone number is: (336) 294-5277.

Mr. Poulos was employed at Sara Lee Corporation when he invented the subject matter in the above-identified patent application. Mr. Poulos has since left employment at Sara Lee. After a diligent effort, as described herein, Mr. Poulos cannot be found or reached. Sara Lee Corporation has a proprietary interest in the patent application as evidenced by the enclosed Assignment, which has been executed by all of Mr. Poulos' co-inventors. Failure to respond to the "Notice to File Missing Parts of Non-Provisional Application" will result in the patent application becoming abandoned, thereby depriving Sara Lee Corporation of rights in the application. Accordingly, the undersigned respectfully requests that this petition that the United States Patent and Trademark Office accept the above-identified patent application for prosecution on behalf of joint inventors Bennett Clay Byrd and non-signing inventor George Peter Poulos be granted.

Respectfully submitted,

FROM: Mike Boggs

DATE: July 12, 2004

RE: U. S. Patent Application No. 10/820,558  
Filed: April 8, 2004

---

Last week I sent a letter to David Marcincavage in the Sara Lee IP Law Dept. requesting execution of formal documents, including a Declaration by the named inventors in the above-referenced application, Ben Byrd and George Poulos. David informed me that George Poulos has left employment at Sara Lee. David indicated that he requested a forwarding address for George from the Sara Lee Human Resources Dept., which did not have a forwarding address for George.

I conducted a search on the Internet for information related to George Peter Poulos. I found only the last known address for George of which I am already aware: 542 Woodvale Drive, Greensboro, NC 27410. I called the telephone number that I have on record for George Poulos at this address (336-294-5277). The phone rang, but there was no answer, nor did an answering machine activate.

I inquired of persons at Sara Lee Corp. who George Poulos worked with while he was employed there if they knew where he is living at this time. The only response I received was that George lived in Greensboro when he worked at Sara Lee, and that no one knows of George's current whereabouts.

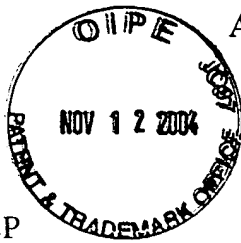

Today, I called the last telephone number I (or Sara Lee Corp.) have for George Poulos: 336-294-5277. The phone rang, but there was no answer, nor did an answering machine activate.

Today, I sent a letter by certified mail, return receipt requested, to George Poulos at his last known address in Greensboro, NC, requesting his execution of an enclosed Declaration.
